

Manual Tray Roller

The manual tray roller enables heavy duty crane loading parts into the ClassicMat™.

This manual tray roller can be added to each ClassicMat™ to make loading much easier.

version 04.2018

Features:

- Load up to 500 kg
- Reverse compatible with existing ClassicMat™
- Move 500 kg horizontally with just 20 kg of force
- Four sensors counteract misplacements of trays
- Intuitive software included
- 48 ball bearings secure smooth and efficient operation

Complies with the following standards:

- DS/EN ISO 12100:2011
- DS/EN ISO 13849-2:2012
- DS/EN ISO 13856-3:2013
